

BEYOND SPORTS

BEYOND SPORTS

Dear Parents/Guardians,

This year we ended our season on a high and as usual with our annual East african tournament held at Arusha Tanzania. We registered 115 footballers and 7 categories making us the third highest participants behind Future stars the hosts and Express academy of Nairobi. We also travelled with a backroom staff of 17 people and we are glad a number of parents joined us. We hereby thank you; our major sponsors for enabling our success.

The tournament was a success in all parameters we gauged that is Travelling, Team performance and Discipline. We travelled by road and the journey was smooth including clearance at the border thanks to our team which travelled before us.

We had no incidents of major injuries while only one player fell ill but was taken care off by our able team nurse. Our under 13 skipper suffered an injury to his eye after colliding with an opposing player but was treated and played in our last match for the category. The tournament was graced by Freddie Kanoute former Mali international who had kind words for our players and coaches.

We had a fairly good performance and it's a big improvement from our previous two tournaments. In a tournament that attracted teams from Tanzania, Uganda, Zanzibar, Kenya, Zimbabwe, Zambia and Mali we felt our teams did well. We were eliminated in the quarters in most categories. Our under 7 and 13 perfomed exceptionally well with good display of football witnessed in the u 11, u 15 as well. These tournaments gauge our players abiities Technically,Tactically,Physically and Mentally. There is also a philosophy and a style of play that we adopt as Nakuru city and that proofs sometimes challenging in situations where we face teams that aim at winning irregardless of how they do it. Development is our goal and we will keep improving and learning as we attend more competitions.

Our major undoing is late registration and players who joined us but had few training sessions or inconsistent training attendance. We also had a challenge of sponsoring our less privileged but talented players therefore affecting our team coordination unlike home tournaments.

Once again thank you for the enormous support we received from both the travelling team and from parents and players who did not travel.

We look forward to a better future.

Attached is our team performances per category.

UNDER 7

MATCH 1	
NAKURU CITY 7	1 FUTURE STARS

MATCH 2	
NAKURU CITY 2	1 BOCA JUNIOR

MATCH 3
